Creation In the beginning was God and He created everything by His perfect design to work together. He create each of us with a purpose to worship Him and to walk with Him. (Read Genesis 1 & 2, Colossians 1:16)

The Fall Life doesn't work when we ignore God and His original design for our lives. When we selfishly insist on doing things our own way this is called sin. We all sin and the consequence of sin is separation from God in this life and in eternity. Sin is present in every human heart and has led to a world of brokenness. We see this brokenness all around us in our world, relationships, lives and systems. Brokenness leads to a place of realizing a need for something greater. (Read Genesis 3, Romans 3:23, 6:23)

Jesus Because of His love for us, God did not leave us in our brokenness. Jesus, who is God in human flesh, came to us and lived perfectly according to God's design. He came to rescue us and do for us what we could not do for ourselves. He took our sin and shame to the cross, paying the penalty of our sin by His death and was raised from the dead, therefor defeating both sin and death. This is the Good News. This is the Gospel. (Romans 5:8, John 3:16)

Restoration Simply hearing the Good News is not enough. We must admit our sinful brokenness and stop trusting in ourselves. We don't have the power to escape on our own. We need a savior. We need Jesus Christ. We must ask for God's forgiveness, turning away from our sin and towards Jesus. This is what it means to repent and believe. When God restores our relationship to him, we begin to find meaning and purpose in a broken world and can pursue God's meaning and purpose in all areas of our lives. Even when we fail we are encouraged and can see God's presence in this world in through all of eternity. (Romans 10:9-10, Romans 10:13)
